WEB DEVELOPER & PROGRAMMER

I am a graduate of Bachelor of Science in Information Technology Major in Web and Mobile Development in University of Santo Tomas and I am seeking clients to work with, wherein I can showcase my knowledge and skills for continuous improvement.

SKILLS

HTML	WordPress	React JS	Python
CSS	PHP	Vue JS	Java
JavaScript	MySQL	Node JS	

PROFESSIONAL EXPERIENCE

Neolytix   **Nov 2023 - Present**
Junior Associate - Digital Marketing
Played a pivotal role in developing websites tailored to the specific needs of our clients, with a primary focus on medical practices. Employing a strategic blend of search engine optimization (SEO), eye-catching website designs, and other digital marketing techniques, I collaborated closely with my team to enhance our clients' online visibility and drive substantial traffic to their platforms.

Syntactics Inc.   **Jan 2023 - May 2023**
Web Developer (Intern)
During my internship as a Web Developer at Syntactics, I dedicated nearly six months to honing my skills in web development. Leveraging my expertise in WordPress, I adeptly crafted and maintained dynamic websites for diverse clientele.

KFC Rockingham Beach   **Dec 2021 - Jun 2022**
Service Crew
Streamlined food preparation and expedited orders while upholding quality standards at KFC. Collaborated effectively within a team to ensure prompt and top-notch service delivery.
